EDUCATION

Rutgers University — **New Brunswick, New Jersey**
Bachelor of Science in Finance — Expected May 2029

- GPA**:** 3.4 / 4.0; Recipient of Dean's Letter in Spring 2026
- Relevant Coursework**:** Microeconomics, Financial Accounting, Management, Marketing, Supply Chain Management, Financial Management, Management Skills, Stats Methods for Business

WORK & LEADERSHIP EXPERIENCE

Stanton Research Group — **Remote**
Equity Research Analyst — Jun 2026 – Aug 2026

- Prepared a thorough stock pitch report for Ross Stores (Nasdaq: ROST) with the investment thesis, competitive landscape, industry analysis, and risks & catalysts
- Developed the 3 financial statements and DCF valuation and gave ROST a recommendation of BUY (PT: $293)

Project Destined — **Remote**
Member, Intern — Jan 2026 –May 2026

- Conducted market & property analysis by analyzing the supply, demand, and regulatory factors of the Bronx and Queens real estate market through investment memos of properties, and what goes into valuation and deal financing for a property
- Leveraged housing data from Bronx using AI, data science & SQL queries for actionable insights

TAMID Group — **Piscataway, New Jersey**
Fund Analyst — Sept 2025 – Present

- Researched SEC data by building thorough financial models and a simple DCF valuation using the three main financial statements (Income Statement, Cash-Flow Statement, Balance Sheet), Enterprise Value, and WACC for Lululemon (Nasdaq: LULU) and Cadence Design Systems (Nasdaq: CDNS) to create stock pitch reports
- Proposed an investment in Dutch Bros (NYSE: BROS) during the interview round, including risk management and a supporting presentation outlining a hedged position if share price dips below $50

Bender Trust Stock Pitch Competition — **Piscataway, New Jersey**
Member — Sept 2025 – Dec 2025

- Conducted equity research on Nasdaq: APP (Applovin Corp -> Strong Buy) and presented the pitch to judges. Performed valuations of the company through EV/Revenue, EV/EBITDA, and P/E ratios
- Created an investment thesis with Porter's 5 forces, a thorough income statement model consisting of Applovin's gross profit margins (consistently > 50%), EBITDA, operating expenses, growth rates, for the last and next 5 years, and the current year
